Children and young people are bound to spend lots more time on devices since Covid. **DON'T FEEL BAD** – lots will be schoolwork or healthy ways of catching up with friends or having fun. There are many ways to keep them safe, healthy and happy.

## Don't worry about screen time; aim for screen quality

Scrolling through social media isn't the same as making a film or story, or Skyping Grandma. Use the Children's Commissioner's 'Digital Five A Day' to plan or review each day together.

## Check the safety settings are turned on

Whether it's your home internet, mobile devices, consoles, apps or games, there are lots of settings to make them safer. The key ones are - can they chat to strangers, can they video chat or 'go live', are their posts public? **Internet Matters** has hundreds of guides to parental controls.

## Get your children to show you their apps and games

You don't need to know all about the latest app or game, but if your child shows you what they are doing and with whom, you'll probably see if it's appropriate or not. Remember 18 games are not more advanced – they are harmful to children! For parent guides to apps, including recommendations for kidsafe apps and video platforms, search for **Common Sense Media** or **NSPCC's NetAware**. And why not download the **BBC Own It** app?

## Don't try to hide news about scary things in the news

If you don't talk about it, your children might read inappropriate pages, believe scare stories or simply catastrophise in their heads. Why not watch **Newsround** together and talk about how they feel – there is guidance from **Childline** to help you.

## Remind them of key online safety principles

There are too many to list, but remember human behaviour is the same online and offline. Remind your children to be a good friend, to ask for help if they are worried or if someone is mean, not to get undressed on camera and most important of all... if somebody tells them not to tell or ask for help because it's too late or they will get in trouble, **THAT'S A LIE!**

## If you aren't sure, ASK!

Your school may be able to give you advice, but there are plenty of other places to ask for help as a parent or a child, whether it is advice or help to fix something. Lots of sites are listed at [reporting.lgfl.net](https://reporting.lgfl.net), including ones to tell your kids about (they might not want to talk to you in the first instance).

Year 2 & Year 6 assessments will be ongoing throughout both the spring and summer term until the **end of June 2023. It is vital that your child attends school for the whole of this period.**

## **TAKING CHILDREN ON HOLIDAY DURING TERM TIME**

### **A guide for parents and carers**

#### **Frequently asked questions**

**Am I entitled to take my child out of school for a family holiday?**

- No.** Parents have a legal duty to ensure that their children attend school or the alternative provision on a regular basis
- The Education Act 1996 makes it a criminal offence for a parent to *“fail to secure their child’s regular attendance at the school”*
- The amendments to the 2006 Regulations remove any reference to *family holidays, extended leave and the statutory threshold of ten school days.*
- The amendments make clear that **Head Teachers may not grant any leave of absence (holiday) during term time unless there are exceptional circumstances**
- The amendments give **parents no entitlement** to take their child out of school for a holiday in term time
- The Head Teacher and Governing Body will determine what the exceptional circumstances are

**If we decide to take a holiday during term time what should we do?**

- The parent/carer with whom the child resides must apply in writing to the school
- The letter/application must explain the exceptional circumstance surrounding the request for the leave of absence

**What will the school do then?**

- The Head Teacher will determine whether the exceptional circumstance ruling applies, if not the application will be declined
  - Only the Headteacher (or the Deputy) has the power to approve leave of absence applications. When making the decision the protocols and criteria laid down in the school’s attendance policy must be followed.
  - Each academic year, schools inform parents/carers via a letter, newsletter or some other communication; that they may receive a Fixed Penalty Notice if their child has unauthorised absences in term time
- You will receive a written response from the Headteacher (or the Deputy) letting you know if your application has been approved
- If the holiday goes ahead after the application has been declined the absence will be recorded as unauthorised

### What will happen if the absence is unauthorised?

- The school will decide if a Penalty Notice should be issued. If the school decide that a Penalty Notice is to be issued
- You will receive a letter from the school advising that it has referred the matter to the Local Authority and that a Penalty Notice may be issued;
- The school will inform the Local Authority that a Penalty Notice needs to be issued
- A Penalty Notice will be sent to you, accompanied by an explanatory letter; the Notice gives you the opportunity to pay a penalty fine instead of being prosecuted in the criminal courts

<b>Penalties for unauthorised absence</b>		
<b>Timeline</b>	<b>One child</b>	<b>Two children</b>
Paid within 21 days	£60 per parent	£60 per child = £120 per parent
After 21 days and before 28 days	£120 per parent	£120 per child = £240 per parent
After 28 days	You will receive a summons to appear before the Magistrates' Court on the grounds you have failed to secure your child's regular attendance	You will receive a summons to appear before the Magistrates' Court on the grounds you have failed to secure your children's regular attendance

Payments will **not** be accepted after the 28<sup>th</sup> day and payments **cannot** be paid in part or by instalments
