

This pack includes the planning overviews for each of the Year 4 PlanIt units. Each overview contains an introduction explaining the topics that will be covered within the unit, assessment statements explaining what your children should be able to do by the end of each unit, as well as a breakdown of each of the six lessons, showing the objectives covered and resources needed – all in one handy document.

Unit Breakdown

1. All Around Town

In this **All Around Town** unit, your class will learn to develop their intercultural understanding by being introduced to the sights of some typical French cities. They will also learn to describe places in a town, count to 100 and give their address in French.

2. On the Move

In this **On the Move** unit, your class will learn to develop their conversational skills via some new topics: transport, direction and movement. They will learn to conjugate the high-frequency verb 'to go' and use it in context.

3. Going Shopping

In this **Going Shopping** unit, your class will learn about the shopping experience in France. Children will learn specific vocabulary of fruit, vegetables and clothes. They will learn key phrases for asking the questions needed when going shopping. The unit concludes with a role play lesson, where children will take on the roles of shoppers and shopkeepers.

4. Where in the World?

This **Where in the World?** unit will teach your class key vocabulary related to countries/continents and animals. Your class will learn specific vocabulary of countries of the United Kingdom, continents and animals from different continents and a country's position related to the equator. They will learn key phrases connected to the themes.

5. What's the Time?

In this **What's the Time?** unit, your class will learn how to tell the time at: o'clock, half past, quarter past and quarter to. They will learn how to read timetables and TV schedules and answer simple questions about these. The unit is drawn together with a final lesson which is a mathematics lesson, calculating the difference between two times.

6. Holidays and Hobbies

In this **Holidays and Hobbies** unit your class will learn key vocabulary related to holidays, weather and seasons, sports and hobbies. They will learn specific vocabulary of how to say what the weather is like, temperatures, names of different sports and hobbies. They will learn key phrases connected to the themes.
